Service Note

The subway map depicts weekday service. Service differs by time of day and is sometimes affected by construction. Underlined directional signs on platforms show weekend, evening, and late night service. Visit mta.info for detailed guides to subway service: click on Maps, then "Individual Subway Line Maps," "Service Guide," or "Late Night Service Map." For construction-related service changes, click on "Planned Service Changes" in the top menu bar.

On weekends, the Weekender website and app show construction-related scheduled service changes. This information is also posted at station entrances and on platform columns of affected lines.
